

introducing a **greener** future for in-store promotions

ecostream

The logo graphic consists of three stylized, overlapping green leaves or waves that curve upwards and to the right, positioned below the word 'ecostream'.

Green retailing just became easier with **EcoStream™** by **Planet-Tek Systems**. Powered by **Apple™** technology, these energy-efficient displays are able to showcase your promotions to drive more sales and enhance the overall in-store experience.

Each **EcoStream™** unit comes with:

- commercial grade display with 3-year warranty
- industrial designed enclosure developed with recycled substrates
- ability to connect to internet for remote scheduling of programming
- network management and compliance monitoring
- available content design and production services
- proof-of-performance campaign reporting
- audience viewership analytics
- high-definition content playback
- cabling and surge protectors
- field maintenance services across North America
- and more...
